Subject: CIP CHANGE WAT-55
Attachments: SOLE SOURCE LETTER JET-VAC.pdf; jet-vac trash pump.PDF

Good morning, Ms. Kandice I would like to make a change to one of my CIP's . Mr. Robert had put in the CIP WAT-55 to rehab the Lateral Cleaner on the front of the Vac- Truck for this year. I would like to use the money To add a trash pump to the back of the Vac- Truck to use during major leaks so we don't have to stop and dump the tank which takes a lot of time. This upgrade will allow us to work Nonstop and restore water service at a much faster pace. I have attached the quote from Jet-Vac and a sole source letter for the needed pump. Could you please add this to the agenda.
Thank you,
